- The pattern designer's name, if known, should be indicated on the entry tag.
- Quilts may be a single bed size and larger unless you want your quilt to qualify for Ontario Association of Agricultural Societies (O.A.A.S.) Quilt Competition. To be eligible for this competition, please follow the rules listed below.

O.A.A.S. QUILT COMPETITIONS

The hand quilted and machine quilted "eligible" quilts judged most outstanding at the Fair have the privilege of entering this competition. To be eligible for the O.A.A.S. competition, the hand quilted quilt and the machine quilted quilt must have a 324" perimeter and **NOT** be made from a kit and be solely completed by the Exhibitor.

OAAS competition quilts will be judged at the District Level. Prize money will be awarded to 1st, 2nd and 3rd place. First place winners will go forward to be judged at the Provincial competition. If winners at the Provincial competition, Exhibitors are permitted to retain ownership of the quilt and will receive a Grand Prize. A first place winning quilt at the Provincial level will not be eligible to compete in any future district and/or OAAS Provincial competition. Certificates and ribbons will also be awarded to the winners.

The guidelines for judging hand quilted quilts, as determined by the O.A.A.S., are set out on the following page.

• **GENERAL APPEARANCE:** The overall appearance for the design of the quilt should be appealing. The design should be related to the use of the quilt. The pattern and the border should be in relation to the size of the quilt.

• **COLOUR & MATERIAL:** The quilt should have a well planned colour scheme. Fabrics and thread of similar quality should be used. A good quality of durable and washable materials should be used. The colour of the Top and Back should harmonize.

WORKMANSHIP: Quilting stitches should be kept uniform, knots obscured, and showing no obvious pattern marks. Pieces should be accurately stitched and joined. The binding should be neat and even. The back of the quilt should be smooth and free of wrinkles, with the quilting design showing clearly. Quilting lines should never be more than 4" apart.

SCORING POINTS: General Appearance & Design - 25, Colour & Materials - 20. Workmanship - 55

Further Judging Standards available from the fair office.
